1978 HOMECOMING CARNIVAL

The Carnival opened the Homecoming festivities around Clemente on October 19th. For two days booths, games, and colorful decorations brightened the interiors of both boys' and girls' gyms.

HOMECOMING DANCE

On the evening of October 27th, the large gym filled with students dancing to the sound of the L & M Travelling Disco. The occasion: Homecoming. The student body celebrated with the King Manuel Figueroa, and Queen Ana Garcia. Their court of princes and princesses included: Sr. Princess, Carmen Pagan, and Prince Orlando Vale; Jr. Princess, Daffy Colon, and Prince Amaury Rosado; Soph. Miriam Rodriguez, and Prince Freddie Torres; Frosh. Princess Rosa Robles, and Prince Greg Gonzon.

BILINGUAL PROGRAM

The Bilingual Program is composed of a staff of twenty-five instructors and serves approximately 500 Spanish-speaking students with limited English language skills. Content area courses are taught in both languages. Students participate actively in a Bilingual student council, a parent advisory board, publication of a newspaper, drama productions and a native performing group. Courses, such as Home Economics, Music, Gym, Art and Drafting, are integrated into the regular program. The ultimate goal of the program is to make the students truly bilingual persons.

La Tuna at Bilingual Christmas Show

La Tuna de Clemente is a native performing group from the bilingual program whose main interest is to promote the Latin American culture, particularly that of Puerto Rico. They have performed for conferences in places such as the Palmer House, Northeastern Illinois University, Sheraton O'Hare, Pick Congress Hotel, and in our beautiful auditorium.

BILINGUAL DRAMA-DANCE

A new and exciting activity grew by leaps and lifts around Clemente this year. Dancers were needed for the International Preview Program in October. Mrs. Pauley formed a group in September to meet this demand. By December, the group numbered 23 dancers who had performed over a dozen times before community and Board of Education groups. Their name, "Lasting Impressions", relates to the hope that they will leave bits of ethnic flavor with those for whom they perform.

BILINGUAL COMMUNICATION ARTS COMMITTEE

Communications is the name of the game!

The Bilingual Communication Arts Committee was established in the summer of 1974 to design a print/video communications curriculum in both English and Spanish for the student body and staff of Roberto Clemente High School. The committee oversees the production of a bilingual calendar and the highly acclaimed bilingual periodical we call "Mundo Joven". The committee is also instrumental in designing and printing a variety of other graphics related to school functions and activities that enrich the school scene. This year an exciting new dimension has been added to the communications program at Clemente. With the help and assistance of Ogilvy and Mather Advertising Agency of Chicago, we have been able to place nearly a dozen eager and talented students into interesting work situations in the communications field. This career oriented, work-study program, will act as a bridge between school and industry. It will develop an ongoing relationship between Clemente and the world of industry. The big winner will be the students. We all are looking forward to future developments with great anticipation.

Co-partner in the communication program is our TV/Film section. Since the school's opening in September of 1974 a number of impressive films have been produced for such diverse organizations as the National Educational Television Network, the Interlake corporation and the CETA program operated by the Chicago Board of Education. This year's most important cooperative project between Clemente High's Film/Radio-TV section and the Bilingual Communication Arts Committee was a movie.

TOO LATE FOR ME deals with the evils of street gangs and was produced with a cast and crew of 38 students. The 25-minute sound and color film explores a teenagers experiences and tragedies after he associates with a gang. It was photographed on location in and around the streets of our community.

Vital to any motion picture is a wide variety of creative input. Clements's art, printshop and music departments were invaluable to the movie. It was one more example of the way in which learning projects are made successful through the interaction of the students and teachers at our school.

Aside from their film making activities, teams of students have staged and produced a number of class presentations throughout the school. In the course of all their efforts the students have learned a great deal and developed important marketable skills. We are proud of all of them. At Clemente, communications is spelled with a capital "C". It's also lots of fun!

CHILD CARE

CHILD DEVELOPMENT CLASS AND CENTER is a learning experience for both high school students and pre-schoolers. The class consists of two parts: lecture and laboratory. The lecture includes the fundamentals of physical and psychological development of children from conception through early school years. The class assists youth to prepare for the responsibilities of parenthood and the achievement of family well being. It also serves as a training program for potential employment in nursery schools, kindergartens and day care centers.

John Steinbeck's *THE PEARL*, November, 1978. "Some say this story is a parable. If it is, you will take your own meaning from it. You will read your own life into it."

The two major presentations of the Drama-Theatre program this year were John Steinbeck's *THE PEARL* and Jesse Stuart's, *THE THREAD THAT RUNS SO TRUE*. In addition, two one-act plays, "Peers" and "The Monkey's Paw" were presented as part of the Homecoming week festivities.

In January, fourteen of our students spent four days on the campus of the University of Illinois in Champaign to attend the Illinois State High School Theatre Festival. In February other members went to Columbia College to compete against seventeen high schools in the I.H.S.A State Speech Contest.

During this past year, the Faculty Drama Group awarded \$600. to two of our graduates majoring in theatre arts at college. Four of our participants were inducted into the International Thespian Society which is an international honor society for drama studies.

RADIO TV

Clemente Film/Radio-TV enjoyed another successful year with students receiving outside recognition. **THE ELECTRIC KID**, a satirical videotape won a First Place gold plaque at the Chicago International Film Festival. **TOO LATE FOR ME**, a 16mm motion picture, was created as part of the Mayor's Summer Youth Employment Program. Grants and cooperative services were provided by Allstate Insurance Foundation, Standard Oil of Indiana, Ogilvy and Mather, Inc. and the Chicago Police Dept. WGN-TV produced a special program on "The Young Achievers". Profiled were Clemente Film and Broadcasting graduates, Martha Hidalgo and Aldo Gandia. Each earned important jobs after leaving our school: Martha at Channel 9; Aldo at the Audio-Visual Production Dept. of Standard Oil.

We are enormously proud that Clemente High is providing important media background to help assure our students' continuing success.

In 1967, a unique musical group came into being at Tuley High School under the guidance and leadership of Mr. Kenneth Iversen and Mr. S. Thomas Henry. The Steel Band has since become a vital musical part of Clemente High School, having performed throughout the Chicago area as well as downstate Illinois, Wisconsin and Indiana. The group is much in demand, and performs each year in situations ranging from formal concerts to block parties. Because of the increased number of students wanting to become involved in the Steel Band program, Mr. Lloyd Hoover began teaching Steel Band in 1973.

A few of the concerts which the Steel Band performed during 1978 were: for Mayor Bilandic, the U. S. Force (Chanute Air Force Base), the U. S. Veterans Administration, the Museum of Science and Industry, the Chicago Board of Education, the South Chicago Chamber of Commerce, the University of Illinois in Urbana, Illinois State University at Normal, Truman College and Wright College.

The image features a minimalist, abstract design on a yellow background. A series of concentric circles are centered on the left side. The innermost circle is filled with horizontal lines and contains the year '1979' in a bold, black, sans-serif font. The circles are drawn with dark blue or black lines. To the right of the circles, there are several horizontal lines of varying thicknesses, some of which are interrupted by a vertical line that runs from the top to the bottom of the frame. The overall composition is clean and modern.
